The Road to Victory Military Museum and the Stuart Parade Committee are seeking the involvement of WWII veterans for the May 27th Memorial Day parade. The WWII veterans are encouraged to attend the parade and ride in a tram in the parade. This is the 75th anniversary of DDay, and we would like to thank the brave men and women who fought for our freedom. All veterans and their families and friends are encouraged to attend along with all area residents. Participants will gather at a TBD spot at 9:00. The parade will begin at 10:00.

After the ceremony following the parade, all veterans and their families and friends are encouraged to attend a Veteran Meet and Greet at the 319 SE Stypmann Blvd Road to Victory Military Museum. We invite the veterans to share their stories and honor them for their service. Refreshments will be served. Members will be at the museum to invite area residents interested in volunteering or students and young adults interested in the Victory Ranger program for guys and gals age 14-20 years old. The Martin County Amateur Radio Association will be participating in a special amateur radio event connecting with stations around the world about our Memorial Day activities. Please contact us at [facebook/roadtovictory](https://www.facebook.com/roadtovictory) or info@stuartparades.com or stop in the museum open Saturdays from 10:00-2:00.
