

# ATTENTION!!!

The Martin County Amateur Radio Association & Martin County Amateur Radio Emergency Service present a monthly learning series about Radio & Electronics!

## **Hacking Hams** **Session #2**

**When:** Saturday, February 3<sup>rd</sup>  
09:00 AM to Noon

**Where:** Martin County Airport Maintenance Building  
1895 SE Flying Fortress Lane  
Stuart, FL 34994

Session #2 will further develop our electronic component and circuit board knowledge, as well as sharpen our soldering skills. We will assemble and test a digital electronic clock, featuring an Integrated Circuit, and seven-segment LED display. Sessions include classroom instruction, and hands-on lab segments. Reservations are not required, but space is limited. For more info, and to reserve your spot, visit our website:
